CARPIO REBIENALD KHEI

Evangelista St. Talaba IV Bacoor, Cavite • rebkheicarpio@gmail.com • 09628489009 • rebkhei.vercel.app

SUMMARY

IT student at Cavite State University with 4 years of experience building web applications, mobile apps, Discord bots, and AI systems using PHP, JavaScript, and MySQL. Focused on developing practical, direct software solutions.

PROJECTS

AI Document Tutoring & Quiz Platform **July 2026**

- Built an AI study web application for document tutoring and automated quiz generation.
- Implemented a PHP 8 backend with SQLite caching, text chunking, and API integration for Gemini and Groq with rate-limit handling.
- Enabled local document indexing, real-time question answering, and multiple-choice and identification quiz generation with client-side data privacy.

Campus Printing & Queue Management System **June 2026**

- Developed a web application for campus print job submissions and queue tracking.
- Implemented PDF page counting, color pixel detection via PHP GD, price calculations, and PNG receipt generation using PHP 8 and MySQL.
- Handled student file uploads, displayed a live 30-second refreshing queue, and automated 7-day temporary file deletion.

AI Integrated Gamified Programming Learning Platform **September 2025**

- Developed an interactive and AI integrated web platform for teaching beginner programming in Java, C#, PHP, and JavaScript.
- Built a PHP 8 MVC backend integrated with LLM APIs to provide syntax error explanations, code hints, and programming exercises.
- Won Best in Capstone Project and Best in System Development at STI College Bacoor.

Student Organization Portal **April 2024**

- Built a web portal for managing student organizations, club memberships, and campus events.
- Implemented role-based access for students and administrators, member directories, event registration, and announcement feeds using PHP and MySQL.
- Replaced paper forms with digital workflows for school clubs.

EDUCATION

Cavite State University - Imus **2026 – Present** | *Imus, Cavite*
Bachelor of Science in Information Technology

STI College - Bacoor **2024 – 2026** | *Bacoor, Cavite*
ICT - Major in Mobile App & Web Development
(Graduated With Honors, Best in System, Best in Capstone)

TECHNICAL SKILLS

Languages:	Java, JavaScript, C#, PHP
Frontend:	Tailwind CSS, Bootstrap, HTML5, CSS3
Databases:	MySQL, MongoDB, SQLite, Supabase PostgreSQL
Tools & Tech:	Git, GitHub, Antigravity, Cursor, Devin, Android Studio, VS Code, Postman
Frameworks:	.NET MAUI, ASP.NET, Node.js

ACHIEVEMENTS & RECOGNITION

- Best in Capstone Project — STI College Bacoor
- TechTalk Ep. 2 Resource Speaker — STI College Bacoor
- CodeFest: Mobile App Dev — Tagisan ng Talino
- Best in System Development — STI College Bacoor
- TechTalk Ep. 1 Resource Speaker — STI College Bacoor
- 3rd Place Web Dev & Design — STI College Bacoor
